

Pricing distribution PHA building blocks

This document indicates the pricing structure of the PHA building blocks which Helian Polymers, brand owner of PHAradox, distributes. Pricing is indicative and can change without prior notice.

A formal quote and/or order confirmation provided by Helian Polymers will display the valid pricing.

Distribution partner of

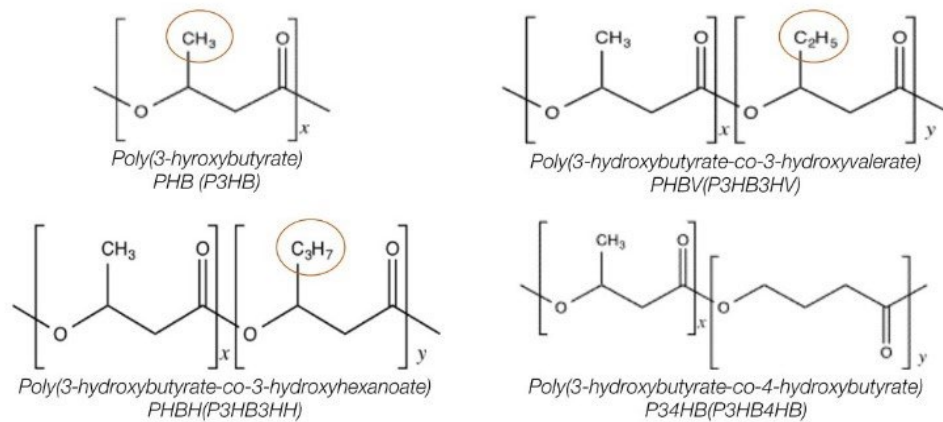

Conditions

The PHA building blocks Helian Polymers provides are produced and packed by the companies as indicated above. All official documentation like TDS, SDS, CoA, food contact approvals, etc. are provided by these companies and available upon request when ordering. Various data sheets are also available on the PHAradox website.

PHA family – various molecular structures

PHA is a family including various molecular structures, which can influence its comprehensive performances.

Pricing

All prices are in euros and exclude shipping costs, import duties and other locally applicable taxes and additional surcharges levied by (local) authorities. Upon request we can provide and arrange worldwide shipping under DAP conditions, using our own preferred logistics partners. These additional costs will be added to your order and communicated beforehand with you for approval.

Tables below show indicative pricing. **Volumes can be combined to reach the next pricing tiers.**
